

## Keith Valley Middle School

Dear Parent/Guardian:

In a previous correspondence that was sent home with your child the week of November 27th, we outlined a plan for the implementation of the new district phone system. The phone system at Keith Valley Middle School will be operable on 12/18/2006. The main number for Keith Valley Middle School (215-956-2910) will remain the same; however, other numbers assigned to the school will change. We are sending a listing of the new phone numbers with this communiqué. A complete list of all district phone numbers can also be found on the district website, [www.hatboro-horsham.org](http://www.hatboro-horsham.org), under the school or office name.

Teachers will have a new ten-digit direct dial phone number as well as voicemail. Teachers' availability to receive phone calls and access voicemail is dependent on their individual instructional schedule. Parents who may be calling with time-sensitive information are asked to call the school office to get the message to the teacher in a timely manner. All schools will have an auto attendant to help guide callers who do not know the direct dial number for a specific office or teacher they are seeking. At any time, callers can dial zero to be connected with a receptionist in the main school office.
