September 2015

Dear Student:

The 2015-2016 school year marks the inaugural year for Hatboro-Horsham High School's (HHHS) partnership with Seton Hall University's (SHU) Project Acceleration Program, a dual enrollment program that provides the opportunity for high school students to enroll in college classes while still attending high school. Benefits of this program include:

- The opportunity to earn college credits at a significantly reduced rate
- Access to college resources, including professors, on campus events, SHU library, etc.
- The chance to get a head start on earning college credits while still in high school

Currently, this program is only available in conjunction with the following HHHS course:

- Multivariable Calculus

The course is taught by Ms. Giselman who also serve as adjunct faculty at SHU. The students fulfill their HHHS graduation requirements by earning credits for this courses in addition to having the opportunity to earn 4.0 SHU credits per course

The cost for the course is \$75.00 per credit hour, \$300. (Regular Seton Hall tuition is \$1,028 per credit hour.) This is significantly cheaper in comparison to most Pennsylvania, New Jersey, and/or New York four year institutions, where tuition ranges anywhere from \$300 - \$1500 per credit hour. In addition, SHU credits are accepted at nearly 200+ colleges and universities nationwide! Thus partaking in Project Acceleration is certainly to your advantage.

Participation in this program is optional. Students are not required to participate. If you choose to participate, you will be required to submit an online interest form and must also complete a registration application. Please refer to **Registration Instructions** that are attached to this letter for further information.

Students may pick up a registration application from Mr. Zuk in the Student Success Center. The registration application along with a check or money order must be submitted directly to Mr. Zuk. **Please make all checks and/or money orders payable to Seton Hall University.** Cash and/or credit card payments will not be accepted.

Students must complete their online interest forms and submit their registration application and payment to Mr. Zuk by Friday, October 2, 2015. Please note that this deadline is a firm deadline. Thus applications and payments will not be accepted after this date.

All new students must complete an online interest form, in addition to the registration form. This form can be found at: <http://www7.shu.edu/admissions/project-acceleration.cfm>

Finally, please note that students must earn a final grade of a "C" or higher in order to be awarded SHU credit. Those who earn a "D" or "F" will not be awarded SHU credit and will not receive a refund for tuition.

Seton Hall University utilizes an online transcript ordering service offered through National Student Clearinghouse. This system allows you the convenience and efficiency of ordering your official transcripts via the Web at any time, 24/7. You can order as many transcripts as you like in one online session using any major credit card. Each transcript costs \$5.

Please visit SHU's website for instruction on requesting a transcript:
<http://www.shu.edu/offices/registrar-transcript-requests.cfm>

To order your transcript, [click here »](#) OR visit <http://www.studentclearinghouse.org/>

- Click on **Order Track Verify**
- Click **Order or Track a Transcript**
- Select Seton Hall University from the drop down menu
- Click **Submit**

If there are any questions, please feel free to contact me at any time.

Sincerely,

John J. Zuk
Hatboro-Horsham High School
Assistant Principal for Curriculum and Instruction
Phone 215- 420-5507

PLEASE NOTE:
