

# Hatboro-Horsham School District Elementary Progress Report

## Content Taught and Assessed During Grade 1, Trimester 1

This supplement is to help families connect student ratings on the progress report standards to the content being taught. Teachers sometimes alter the sequence of the curriculum during the year to meet specific classroom needs and they can address questions you may have in that regard.

English Language Arts	Mathematics
<p><b>Reading</b>  <b>Instructional Level</b>  <b>Demonstrates phonemic/ decoding strategies</b></p> <ul style="list-style-type: none"> <li>Identifies short and long vowel sounds, two-letter and three-letter blends, root words, and consonant diagraphs</li> </ul> <p><b>Comprehends what is read</b></p> <ul style="list-style-type: none"> <li>Identifies key details, character, setting, events, plot, and problem-solution</li> <li>Ask and answer questions about key details in a text.</li> <li>Read and comprehend literary nonfiction and informational text</li> </ul> <p><b>Writing</b>  <b>Focus-</b> Establishes purpose of opinion writing and stays on topic; sequence ideas logically to support stated opinion  <b>Content-</b> Provides relevant details to inform opinion writing  <b>Conventions-</b> Capitalization, punctuation, grammar and spelling</p>	<p><b>Numbers &amp; Operations in Base Ten</b></p> <ul style="list-style-type: none"> <li>Counts by ones and by tens to 60; reads and writes numbers to 60</li> <li>Uses the symbols <math>&gt;</math>, <math>=</math>, and <math>&lt;</math> to compare two numbers</li> </ul> <p><b>Operations and Algebraic Thinking</b></p> <ul style="list-style-type: none"> <li>Solves addition and subtraction story problems to 10</li> <li>Counts on to add and counts back to subtract</li> <li>Adds and subtracts to 10</li> <li>Finds the unknown number in an addition equation</li> </ul>
