**Hatboro-Horsham School District**
**Distance Learning Activities—Library**

**Grade:** First Grade  
**Week of:** May 25th

---

**Topic:** Biography Research with PebbleGo

**Important Ideas to Remember:** A biography is a book that tells about the events of a person's life. When you are doing research or want to learn more about a topic, it is important to find facts that are true. PebbleGo is a great website/database to use for research! It has articles, videos, and more! You can learn about many different topics on PebbleGo!

---

**Activity:** Use PebbleGo to research a biography of your choice!

1. **Go to PebbleGo:** [https://site.pebblego.com/](https://site.pebblego.com/)
2. **Sign in** with your school's information. We cannot post the passwords for privacy reasons, so if you need a reminder, please e-mail your library teacher!
3. **Click on Biographies.** Choose any person you would like to learn more about.
4. **Read the article** or listen to it read to you by clicking the speaker icon. Be sure to click through all the tabs at the top of the article you chose!
5. After you finish the article, **answer these questions:**
   - a. Who did you learn about?
   - b. What are 2 facts you learned about that person?

You can e-mail your library teacher to share your responses or create a video on Flipgrid (links below)!

**Bonus:** After you first click on Biographies, scroll down to the bottom to find games and a question of the day related to the topic. Feel free to try those! You can also check out the other topics, like animals!
