Silent “e” Game

Print and play!
Silent “e” Game

Materials Needed for a 2-Player Game:

- Silent e Game Board
- 1 die
- 5 game tokens for each player (Players should have different color tokens than their opponent.)

Directions:

- On the Game Board, there are two columns labeled 1<sup>st</sup> Roll and 2<sup>nd</sup> Roll. On a Player’s turn, they will roll a total of 2 times. The 1<sup>st</sup> roll will tell them the beginning sound of the word and the 2<sup>nd</sup> roll will tell them the end vowel sound of the word. Players put the two sounds together to make a word.
- If a player can make a word, they find it on a snowman and cover it with a game token. If a player cannot make a word, no snowman is covered and it’s the next player’s turn.
- Play continues in the same manner until the first player covers 5 snowmen or 5 words.

For a longer version: play until the first player covers 5 words.

- Player Two takes a turn in the same manner.
- The player to cover 5 words first is the winner!
