### OUR COMMUNITY

Hatboro-Horsham School District serves the Borough of Hatboro and the Township of Horsham in Montgomery County, PA. These suburban communities, located approximately 17 miles northwest of Philadelphia, are comprised of residential, agricultural, commercial, and light industrial areas. The annual operating budget of approximately \$90 million serves a population of roughly 4,800 students at four elementary schools, one middle school, and one high school.

### WHO WE ARE

Hatboro-Horsham High School is a comprehensive public high school that houses grades nine through twelve with an enrollment over 1,500 students. There are 130 faculty members, 70% of which hold advanced degrees.

### OUR SCHEDULE

The Hatboro-Horsham administration and staff believe that Intensive (Block) Scheduling, implemented in the 1992-93 school year, offers our students better academic preparation for college and career success. There are four 75-minute instructional periods. The middle of the day includes a 90-minute block where students eat lunch and engage in self-directed or teacher assigned academic assistance. The abovementioned 90-minute period is referred to as the HATS period, which stands for **Hatters. Achieving. Targeted. Success.** The school year is divided into two semesters totaling 180 days with four marking periods. We have adopted an every other day rotation to permit students the opportunity to take additional courses. A 1.0 credit course meets every day for 18 weeks, and a .5 credit course meets every other day for 18 weeks.

### CO- & EXTRACURRICULAR ACTIVITIES

83% of HHHS students participate in one or more of our sports, club, or activity offerings.

### OUR CURRICULUM

Through required courses and extensive offerings, students may customize their program of studies to meet individual needs and interests. Instruction is delivered with varying levels of difficulty, including Advanced Placement (AP), Accelerated, Honors, College Preparatory, and Academic level courses where additional supports may be warranted. There are over 40 **Honors** Level Courses offered in English, Math, Social Studies, Business, Science, Art, and World Language. There are four **Accelerated** courses offered in Mathematics.

### SPECIAL PROGRAMS

We offer a variety of courses online through Virtual High School. The enrichment or gifted program is designed to extend the regular curriculum using higher-level thinking skills in group and independent work.

We also offer a dual enrollment course through Montgomery County Community College, which allows students to receive college-level credit.

The Eastern Center for Arts and Technology (ECAT) provides training in 15 career areas. Several ECAT programs offer college credit through Montgomery County Community College.

Lastly, the high school also utilizes Naviance and its web-based software to help students with the college application process, including electronic transcripts, letters of recommendation, and in-depth college and career choice options.
