**MANDATED REPORTING OF SUSPECTED CHILD ABUSE AND NEGLECT**

The employees of Hatboro-Horsham School District Child Care are considered mandated reporters, under this law. The employees of Hatboro-Horsham School District Child Care are not required to discuss their suspicions with parents prior to reporting the matter to the appropriate authorities, nor are they required to investigate the cause of any suspicious marks, behavior or condition prior to making a report. Under the Act, mandated reporters can be held criminally responsible if they fail to report suspected abuse or neglect. We at Hatboro-Horsham School District Child Care take this responsibility very seriously and will make all warranted reports to the appropriate authorities. The Child Protective Services Act is designed to protect the welfare and best interest of all children.

As mandated reporters, the staff of Hatboro-Horsham School District Child Care can not be held liable for reports made to Child Protective Services which are determined to be unfounded, provided the report was made in “good faith.”

- Not providing appropriate meals including a drink for your child
- Leaving a child unattended for any amount of time
- Failure to attend to the special needs of a disabled child

- Children who exhibit behavior consistent with an abusive situation

**COURT ORDERS EFFECTING ENROLLED CHILDREN**

Custody Order, Restraining Order, or Protection from Abuse Order) Hatboro-Horsham School District Child Care must be provided with a certified copy of the most recent order and all amendments thereto. The orders of the court will be strictly followed unless the custodial parent(s) requests a more liberal variation of the order in writing. In the case where both parents are afforded shared/joint custody
by order of the court, both parents must sign the request for more liberal interpretation of the order.

In the absence of a court order on file with Hatboro-Horsham School District Child Care administration, both parents shall be afforded equal access to their child as stipulated by law. Hatboro-Horsham School District Child Care cannot, without a court order, limit the access of a one parent by request of the other parent, regardless of the reason. If a situation presents itself, where one parent does not want the other parent to have access to their child, Hatboro-Horsham School District Child Care suggests that the parent keep the child with them until a court order is issued.

If conflicting court orders are presented, the most recently dated court order will be followed.

Once presented with a Protection from Abuse Order or a Restraining Order, Hatboro-Horsham School District Child Care is obligated to follow the order for the entire period it is in effect. Hatboro-Horsham School District engages staff to provide services for our district-sponsored Child Care programs.

The Hatboro-Horsham School District does not recommend, sponsor, encourage, or condone any arrangements whereby staff provide tutoring, baby-sitting, or other out-of-district services to parents of children enrolled in the Child Care programs.

Parent(s) hereby acknowledge that if any such out-of-program relationship exists, or develops in the future, the Hatboro-Horsham School District is not responsible and any involved staff is not acting within the framework or scope of his/her employment with the School District.

SICK POLICY: REGULATIONS CONCERNING ILL CHILDREN

If a child has a temperature 100 degrees or greater, diarrhea, vomiting, nausea, contagious illness, or an injury occurs during program hours, the parent or emergency contact will be notified immediately. If there is a serious injury and/or medical problem, the parent and/or the local rescue squad may be contacted for assistance.

COMMUNICABLE DISEASES
Hatboro-Horsham School District Child Care follows all health/communicable disease policies as outlined in the American Academy of Pediatrics Model Health Policies and Procedures Manual. A copy of this manual is on file with the Center Director and is available upon request for review.

Parents are required to pick up an ill child within 45 minutes of notification by phone. If a parent is reached, but cannot pick their child up within 45 minutes, it becomes the parent’s responsibility to arrange for alternate pick up with someone listed on the child’s emergency contact form. The staff will not continue to call those listed on the emergency contact list once a parent is reached. If a parent cannot be reached, the staff will begin to call the people listed on the emergency contact form, until arrangements can be made for the child to be picked up.

Children will be excluded from participation in the program if they exhibit symptoms of any communicable disease. They will not be permitted to return to the program until they are no longer contagious. Guidelines for determining the contagious period for a specific illness are based on the recommendations by the American Academy of Pediatrics. Children must present a doctor’s note stating they are no longer contagious and can return to the program. Hatboro-Horsham School District Child Care reserves the right to refuse to allow a child to return if the center director or designee believes the child to be too ill to participate in the program.

MEDICATION POLICY

During the academic day 8:30-3:15 medication will be dispensed to students in preschool via the School.

The Hatboro-Horsham School District permits the administration of prescribed medication to a student during school hours only when failure to take such medication would jeopardize the health of the student or the student would not be able to attend school if the medication were not available during school hours. Parents should confer with the child's physician to arrange medication time intervals to avoid school hours whenever possible. No student is to keep any medication in his/her locker or school bag, lunch box or pockets unless authorized by the school nurse. Physician and parent permission are required for all medication dispensed in the health office. When medication absolutely must be given during school hours, these rules will be followed: 1. No medication will be administered in school without a physician's written order and parent permission. 2. All medication must be in the original container, properly labeled, with the student's name on it. No medication will be accepted in an envelope or baggy. 3. Under standing orders from the school physician, Tylenol (acetaminophen) and Tums (antacid) may be administered by the nurse according to the age and weight of the student. Permission for administering Tylenol or Tums (Ibuprofen at the high school only) must be signed by the parent/guardian on the EMERGENCY FORM. 4. All medications administered in school that requires a change in the dose, timing or frequency from the original physician order must be made by the physician in writing. Under no circumstances will a parent alone dictate a change in the medication regimen. 5. "One, two, or three times a day" medication should be given at home unless specifically ordered to be given at a certain time. A parent may come to school and administer medication to their child. 6. Medication administration will be recorded in the nursing sapphire program and paper administration form if necessary.

SELF-ADMINISTERED MEDICATION

If a student needs to keep an inhaler or an Epi-Pen on their person, in the classroom, or in the health room, the following requirements must be met:

1. Parent/guardian and physician must complete the medication permission form.
2. If the student is to administer the medication as needed, the physician must also sign the bottom portion of the form. This signature verifies that the student has been instructed on usage of the inhaler or Epi-Pen and is capable of administering the medication to him/herself.

3. School Nurse will review with the student and complete the student skills assessment sheet.

4. The student must tell the nurse as soon as possible when the medication was taken.

***IF AN EPI-PEN NEEDS TO BE ADMINISTERED, THE NURSE SHOULD BE CONTACTED IMMEDIATELY.

WITHDRAWAL POLICY

If a parent decides to withdraw from the program, a two weeks’ notice to the Director of Child Care is required. Any parent failing to do so, will be charged their normal tuition rate for two weeks.

DISCIPLINARY EXCLUSION POLICY
