Welcome to Hatboro Horsham High School Class Choice

This program will allow you to enter course requests for the 2020-2021 school year.

The requests will be used to create the best possible schedule for students at Hatboro Horsham.

The Course Selection Guide can be found on the High School Guidance page of the Hatboro Horsham website.

User ID = Network Login
Password = Lunch ID

■ Log in and you will arrive at this screen, click on the Requests to begin.

Parent Override Form
The Parent Override Form can be found on the High School Guidance page of the Hatboro Horsham website.

If you are overriding a course, remember provide the completed Parent Override Form, with your parent signature, to your counselor.

(This IS REQUIRED)
Select your Core courses by checking the appropriate box. Core requirements are listed.

You must select your core courses first. The screen tells you how many credits you are required to select.
Click on Add Electives to see the elective course offerings.
As you select your courses, your summary bar will fill green.

Once all Core are added, you will notice that Add Electives is available.

Depending on what you select for your core courses, will determine how many Electives you need.

In this example, you will need to fill 2.0 credits.
Once 2.0 elective credits have been selected, your summary bar will have no red in it.

Now click on Print Requests.

You can print your requests out to share with your parents and have on hand when you meet with your counselor.
