

Stephan M. Lipinski ATC

Head Certified Athletic Trainer

Assistant to the Athletic Director

Moss Sports Rehab / Hatboro Horsham High School

Training Room and Athletic Office 215-420-5955

Fax 215-420-5633

slipinsk@hatboro-horsham.org

Stephan brings a wealth of experience that includes working in Professional Hockey (Philadelphia Flyers NHL, Trenton Titans ECHL Chesapeake Icebreakers ECHL), Professional Football (Philadelphia Soul AFL, New Jersey Red Dogs AFL), and High School (Hillsborough NJ). Stephan, a graduate of Rutgers University, is responsible for day to day care of all the student athletes. Some of his responsibilities include tracking athlete's pre-participation physical status, injury evaluations, emergency care, taping and bracing, athletic exercise rehabilitation design, therapeutic modalities, doctor and emergency referral,

communication with parents, coaches and administration, and as a consult for school guidelines. Stephan is dedicated to providing the appropriate care for every student athlete. Please contact him via phone or email with any question you may have.

You now can see an Einstein/Moss Rehab Orthopedics Physician within 24-48 hours. Please call 484-843-0095 or email sportsrehab@einstein.edu now for an appointment. The physician will be able to contact your Athletic Trainer directly to expedite appropriate treatment and rehabilitation.

Moss Sports Medicine / Einstein Orthopedics

<http://www.phillysportsmed.com/>

Our team of Fellowship Trained Orthopaedic Surgeons and Athletic Trainers provide specialty Orthopaedic care for all General Orthopaedics and Sports Medicine, including Arthroscopy of the Shoulder, Elbow, Hip, Knee and Ankle. Our providers are also specialty-trained in Total Knee Replacement, Partial Knee Replacement, Total Shoulder Replacement, and Reverse Total Shoulder Replacement surgeries. In addition, they provide treatment for Complex Knee, and Shoulder problems, and General Pediatrics/Hand/Elbow/Foot/Ankle conditions. They are experts at Advanced Cartilage Reconstruction and other innovative techniques, such as Platelet Rich Plasma Therapy.

Dr. Brett Sweitzer

<http://www.phillysportsmed.com/dr-brett-sweitzer/>

Dr. Sweitzer is a graduate of Brown University, where he received a Bachelor of Arts degree in biology. He received his medical degree from Temple University School of Medicine and completed his orthopaedic surgery residency at Emory University. He completed his fellowship in sports medicine and reconstructive shoulder and knee surgery at the world renowned Steadman Hawkins Clinic of the Carolinas. In addition to sports medicine, Dr. Sweitzer has special expertise in shoulder reconstruction surgery, total shoulder replacement and reverse total shoulder replacement
